**RE: LETTER IN SUPPORT OF
TELEMUNDO KSTS**

To Whom It May Concern:

Thank you in advance for accepting this letter in support for Telemundo KSTS.

The California Hispanic Chambers of Commerce (CHCC) represents over 400,000 Hispanic owned businesses and has a network of over 60 chambers and ethnic business associations throughout California. We have been able to maintain our strength and contribution to the California Economy because of our supporting partners. We are especially thankful for the contributions of Telemundo KSTS.

Throughout the years, Telemundo KSTS has been a partner enabling the local Hispanic chambers to broadcast their message and secure support via the KSTS media. Not only have they been willing to broadcast messages, they have also assisted in the development of these messages. Telemundo has provided talent, technical assistance and creative development to ensure that it is always a professional image of the chambers.

Thank you again for the opportunity to speak on behalf of Telemund KSTS, and please do not hesitate to contact our office if we can answer any questions or continue this dialogue.

Sincerely,

Joel Ayala
President & CEO
